Outstanding Junior Scholarship Application 2024/2025

This program is open to students who are High School **Juniors** at Sumner and Bonney Lake High Schools during the 2024/2025 academic year.

This scholarship is intended to evaluate applicants not only on their academic activities but also on their extracurricular and community activities and service. While financial need is a factor, it is not the overriding consideration.

You should consider applying as a Junior in high school for the following reasons

You could be selected as a Finalist for the award

You could obtain a \$1500, \$1000 or \$500 college scholarship

You gain experience on the process of submitting applications for college scholarships.

Next year, any awards you receive can be listed on both your college applications and your scholarship applications.

To apply for this scholarship, you need to complete the Google Forms application that is located at phoenixlodge154.org/2025-scholarship-application. **Applications can be made starting on Tuesday, February 25, 2025.**

The application is a Google Form and you'll need to be logged into your Google account to complete it. You need to complete the form and submit it along with your transcript and one letter of recommendation (all in .pdf format) as attachments to the Google Form.

All applications must be submitted by 7:00 pm on Friday, April 11, 2025. No late submissions will be accepted.

You will be notified in late April/early May 2025 by USPS of the selections made by the Scholarship Committee. We plan to hold a public ceremony to recognize the finalists and announce the winners in mid May at Phoenix Lodge located at 1009 Main St in Sumner.

If you have any questions, please contact the coordinator at your respective school or submit an email to scholarship@phoenixlodge154.com.
